Librarian's Report

Monroe Public Library has completed another busy year. The number of books loaned in 1933 was 5,720 and in 1932 it was 2,891. It is a pleasure to the librarian to have the library used so much and it is hoped that it may be used more each year. The new signs on the outside of the building pointing out the entrances to the Town Hall and Public Library are an improvement. A new heater inside adds to the appearnce and comfort of the room. A large mail box has been placed outside the building and books may be placed inside this at any time when the library is closed. A number of people have found this a convenience.

The trustees have decided to let academy students living in Vermont borrow books on their outside reading lists. So far, 26 have taken out cards. The books for the academy students have been placed on separate shelves and are in constant use.

The library subscribes for National Geographic, Literary Digest, American Boy, American Girl and Child Life. These magazines are used by many but we would like to have them used by more people.

Mrs. Mary Smith still has the North Monroe branch and keeps a supply of books there for readers who are not able to borrow from the main library. These books are changed frequently. The circulation at the branch for the past year has been 500.

Report of the Superintendent of Schools

To the School Board and Citizens of Monroe:

I herewith present my fourth annual report as Superintendent of Schools.

During the year 1932-1933 the total enrollment was 83; the per cent of attendance 93.71; cases of tardiness 14; pupils not absent nor tardy during the year 5; number of school visits made by board members 7; by superintendent 134; by citizens 86. In addition to those in the town school 21 pupils from Monroe attended McIndoes Academy and 2, Littleton High School.

The five names on the roll of honor were Robert Carlisle, Adelbert Champany, Lyle Lang, Bonnie Little, Gladys Page.

In June five pupils were promoted from the eighth grade to high school: Adelbert Champany, Richard Little, John Mitchell, Gladys Page, Maitland Wood.

Mr. Russell Bartlett of Woodsville again very kindly gave money for a prize essay contest held in the grammar room. Gladys Page won the first prize and Doris Moore the second.

This year the enrollment to date has been 85. There is the same corps of teachers as last year: Miss Mabel I. Connolly, principal of the building, grades VII-VIII; Miss Irene C. Jewett, domestic arts and grades V-VI; Miss Margaret R. Cyr, grades III-IV; Miss Harriet F. Wilton, grades I-II; Miss Alice M. Brown, vocal music; Mr. C. George McLure, band instrumental music; Miss L. M. B. Underhill, school nurse.

The work in manual training, which was started last spring, has proved interesting and beneficial to the boys. Monroe is fortunate in being able to offer this course together with work in domestic arts, and vocal and instrumental music. The enthusiasm and wider interests created by the enriched program are well worth the time. The high scores of the standard tests given last June show an excellent quality of work being done in the regular subjects.

Respectfully submitted,
EDWARD A. JANES
